

Annual plan 2017/2018 for the Nordic Pre- and After School

We have a common Annual plan, covering both Pre- and After School. However, it might be that not all activities will take place in both Pre- and After School, as the children's age and interests will have to be taken into consideration.

The basis of the Annual Plan is:

- That we are a Nordic school with Nordic values and traditions
- That we are living in Tanzania and that it is important for the children to become familiar with Tanzanian culture and traditions.
