

NEWSLETTER AFTER SCHOOL

March 2015

After School

With March 2015 behind us, we from after school would like to start off by saying thank you for a very good job by you parents for calling in when your child will not attend after school and/or if there is any other change in pick-ups- a big improvement!

This month ended with us having to say good-bye and thank you to our very good and hard working volunteer Simen since he is now leaving after having been with us for 8 months! He has done a wonderful job taking care of your children, interacting with parents and has been a big part of our daily routines at after school. As we're sad to see Simen leave, we are also glad to welcome our new volunteer, Oscar from Sweden, who will be with us on Mondays and Fridays until the end of this term. No other changes in staff or students have occurred this month.

Right now afterschool has a big and happy group of 41 children, we've together with the children the last week worked with the Easter as our theme, doing everything from Easter eggs, Easter bunnies and decorations, and before the Easter break we are happy to have a privileged visit from no other than the Easter bunny itself, with a good old treasure hunt! We, the teachers and support staff, wish you all a happy Easter!

Youth Club

Youth Club has not yet been re-opened, still due to too few YC children attending, but after a very good parents meeting on the 11th of March we got many new ideas from you parents which we will soon hopefully be able to offer.
