

After-school/Youth club Monthly Newsletter

Reminders

➤ Parents: during 13.00 – 13:30 when you drop your child/children to the school, if you don't see any teachers in the classroom, she/he is outside on the playground.

➤ Part time afterschool is Tuesday, Wednesday and Thursday from February 3rd

➤ Please ask your child/children to bring swimming suit and a towel to school to keep in their box, so they can use it when they want to swim.

After school

Dear all, Happy New year and welcome back to another exciting school year! This is the first news letter since the holiday's and we would like you to have a look back on some of fun activities that the kids did during December.

- Before Christmas, AF + YC kids were very busy with christmas decorations and creativities. They were working as groups and were so enthusiastic to decorate their classroom and Christmas tree.
- Each of AF and YC kids did a very unique and beautiful painting as a Christmas present for thier parents.
- On 13th of Dec they enjoyed their delicious Christmas lunch together with their teachers in the classroom.

Since all the children have returned back from their long holiday, they continue thier daily activities as normal. The pool has been very popular during this month of Jan with the weather being warmer during the day. The kids do enjoy their swimming together at the pool, as well as climbing the tree, a very popular activity for kids of all ages.

The Football field have been less busy than previous month, since there are many kids who have to be at thier schools activities and arrive late to Nordic.

They like spending time riding mooncars, playing dodge ball in the Aula or chasing each other at the playground.

Although you will still can see some small groups keeping the field busy when they are able to gather enough players ☺

Youth Club

On The 10th of December, 2013 Youth Club had a disco party at the Nordic house. YC Teachers Sophada and Sofie, welcomed them with soft drinks. Then they had some pizza, raw vegetables, popcorn and carrot cake. They had so much fun and really enjoyed their time together.

During the party, YC were dancing to the beats presented by the best DJ's Andreas. Troy brought his technical skills by installing his disco light which created the disco atmospher and made the party more fun ☺ Later, during the last hour of the party, they played a few games such as: limbo and twister.

After New Year's Holiday we continue with our daily activities. Swimming, football, dodge ball in the Aula and driving mooncars all around the school. YC enjoy their chatting and joking with each other during lunch. They also enjoy spending time playing at the new playground of Nordic House. They do crawling and balancing. Floor hockey have become so popular lately, even with the heat under the sun you can still see them playing together with excitement.

Sophada, Mia, Christina, Jennie and Sofie
