Afterschool welcomes Joseph and Emily,
our new kids from Denmark!

The final of our Tanzanian Culture theme
was a well-deserved success with parents
and children alike. Thank you all!

And now-Xmas time! We devote our last
(for this year) school weeks to Xmas vibe,
including arts and crafts and music.

We would as well like to highlight and
appreciate all those children who
participated in our SUF VM, a special
ceremony and diplomas to take place on
Wednesday Dec 10th

School Xmas lunch is on Dec 11th, and we
are working on an A/S X-mas-concert for
next week as well! For all of you from all
of us – Merry Xmas and a Happy New
Year!

Y.C

Youth Club went on a “field-
trip” to Black Tomato, an event
very much appreciated AND
waited for!

On the school grounds, “bean
bag” competition was held and
Tova is the proud holder of the
prize. We as well had a “pool
party” which was much fun.

The youth will be creating a
Xmas ambiance, by cooking ris
a la mand this Thursday and
tasting it afterwards of course:-
).

We will say “good-bye” to
Andreas, whom we will miss
and hope to see again as he
stops AS!
