Greatly appreciated!

After-school:  
0777 000058

After School Teachers:  
Inge, Marie, Rasmus and  
Julia

## A.F

Welcome to a new and interesting school year 2014/2015. We are thrilled to see all the new and returning students! The group is complete with 37 children. 4 teachers – Inge, Marie, Rasmus and Julia – are currently working in the group and we are eager to continue building a pedagogical and social platform for all kids to thrive and enjoy.

Our main focus is to make all the children feel confident and welcomed at the Nordic School.

We offer a range of favorite activities – swimming, dodgeball, basketball, football – as well as creativity and arts, in order to de-stress and relax after a rather long and demanding school day.

## Y.C

Youth Club have had its first “back-to-club” meeting, and it is Thursday to be a special day for the students of that group – smoothie-making and baking will take place at the Nordic House.

First Party of the year to be announced soon!
