## April 2014

AF & YC

Dear parents of AF and YC please have a look at our April Newsletter and what we have done through out this month where the whole School were busy with two fabulous events; Easter and Fairy Tale Theme.

AF and YC did a great job with their Easter creativity and many beautiful Easter decorations in the classroom. We did eggpainting, cutting colorful paper to make our beautiful poster to welcome the Easter event.

On 17th-April-2014 we had a very tasty Easter lunch together . The weather was so hot and humid so we had ice-cream as dessert after our lunch ...Yummy ☺

Then after a short Easter Break we begun our "Fairy Tale Theme" , which we had so much fun with including our GYPSUM PROJECT. We each made a mask and/or a hand, that we decorated and painted for our Masquerade Ball.

On Friday 25th-April-2014 at 3-5 pm we had a lot of fun, while dancing to the beat of the music (Thank you to DJ Flemming for his contribution, providing fantastic music for our ball). There were several dancing games such as: musical chairs, Limbo and we had fun walking a mask fashion show, around the sandpit showing our creative masks to our parents. During and after our Fairy Tale celebration , parents and kids enjoyed chatting, eating cupcakes, coffee, tea and tasty mix punch drink ☺

Even though AF and YC were so busy with the preparation of those two events, we still had plenty of good times with free play and following up on the daily activities. Baking, film, story time and borrowing books have been going well. We are trying our best to encourage kids at AF and YC to borrow some books from our library.

We have a good system for each child to write their name, date and the title of the book for each time they borrow and once the book is returned they can borrow a new one.

Currently we have a good amount of Swedish books for all ages but we do not have enough Danish and Norwegian books which suits AF and YC group. Therefore, we welcome you to donate any, especially Norwegian and Danish books that you do not wish to keep anymore. We would be very happy to receive those books and add them to our library collection.

Unfortunately we have to cancel tennis since this is an activity that very few kids want to participate in. Please feel free to talk to us during your drop off/pick up time if you would like to know more or have something to add. Thank you, from AF team.
