Afterschool children are well established into the routines, and the vibe in the group is great!

Some additional activities did prove to be a great success, such as tennis. Language classes, swimming and ballgames even “kubb” / are the weekly specials as before. The kids who need a quieter time and a smaller groups of friends enjoy our “book corner” and an ever-popular lego-table.

Creativity time – painting and creating personalised b-day cards. Many`s birthdays have been highlighted and song for :-)
We are participating in the VM /within SUF – svenskar i utlandet föreningen as last year was a success, we expect the results to be announced in October!

We welcome Mia, Aisha and Stefan to our growing afterschool family!

Y.C

Thursdays are an appreciated Day for the Youth Club / there is already a request to make it every day of the week :-/ Children, under supervision of our Y.C.-leader, Marie, met at the Nordic House and have lunch there as well as mix healthy smoothies, bake waffles and a popular outing to Slipway, for some well-deserved “time-off”!
