February 2014

## ALL

We have the great pleasure to introduce Caitlin from Sweden, who will be working daily at Kidogo. From March we will also have a new intern from Denmark. Her name is Michelle and she will be working daily at Kubwa.

Friday the 28<sup>th</sup> we have our annual Fastelavn-party, which is a Danish tradition, where we all get the chance to get dressed up. Perhaps as a superhero, a Cowboy, or maybe even as a princess only your imagination sets the limit. As per tradition we will also beat the drum to get all the sweets that hidden inside out☺. We hope to see as many of you as possible and give you the opportunity to come and enjoy the festivity with us.

In March it is again, time for a Parents meeting, where there will be a lot of time to discuss many topics with the teachers and other parents. Hopefully most of you will find the time to participate in this very informative meeting for you.

## DATES TO REMEMBER

**12<sup>th</sup> of March**  
7-9.30pm Parents meeting

**14<sup>th</sup> of March**  
School closes for spring break

**25<sup>th</sup> of March**  
1<sup>st</sup> day of school after spring break.

## KUBWA

At Kubwa we had the pleasure to welcome Minna who is from Denmark.

Early this month we decided to split the group in two. The new group, mini-play school is for the oldest children at Kubwa and they have playschool 3 times a week in the afterschool rooms with Karen-Emilie. The other days we learn and have fun with the rest of the Kubwa group.

In Kubwa we still love to be creative. In our class room you will find many beautiful decorations, that we have created, hanging in the windows, or from the lamps.

Since we came back from Christmas, we have changed our library day from Thursday to **Tuesday**. Please remember to bring the bag, with the book to return in exchange for a new one, every week.

## KIDOGO

February has been a month with a lot of fun play, and a lot of creativity. We have created some beautiful decorations, with lots of glitter and colors, using old CD's.

And because of the Danish tradition, Fastelavn we have made many sweet masks, in many different colors and shapes. Some colorful cats have been decorated with feathers in many different colors.

February has also been a month with a lot of illness, both children and teachers, it is therefore important to remember our 24 hour policy. This means that the child must stay home for 24 hours after having fever or vomiting. Thereby we can hopefully prevent everyone getting sick ☺

## PLAY SCHOOL

We have the pleasure to welcome Anker from Denmark to our group.

Through the month we have continued working with the alphabet, which we enjoy and have become pretty good at so far. The ocean has also been a part of our work lately. We have been talking about all the different animals that live there and we have made our own stunning oceans, with many colorful animals, on collages.

When we need a break from the class room we very much like going to the aula, to play different games and just have a great time with each other while being physically active.

Through the last week we have been making beautiful decorations for Fastelavn, and we are all very excited for the arrangement this Friday.
