

NEWSLETTER PRE-SCHOOL

January 2014

All

Happy New Year to you all, we hope that you had a lovely Christmas and a happy New Year, with your families.

After saying goodbye to Jakob and Line, we have the pleasure to introduce 4 new teachers at Nordic School, Jennie, Rasmus and Julia from Sweden and Kasper from Denmark. They will all be working daily at Kubwa and Afterschool.

Rasmus is at Play school and Kasper and Julia in Kubwa.

After the holiday our library is up and running again, and we will continue to go there and read, and borrow books every week, which we all enjoy very much!

Kidogo have library day every Wednesday and Kubwa has changed from Thursday to Tuesday.

Dates to remember

Parents meeting
12th March

Kubwa

After the holiday we have welcomed everybody back plus our new teachers.

We also welcome Helena who comes from Kidogo and now old enough to join the Kubwa group and Minna from Denmark and her brother, Anker to playschool.

We still use our lovely swimmingpool frequently, actually we swim almost every day these days, to get cooled of from the heat. We all love it and are having tons of fun together.

Next week pre-play school will start up, which is for the 5 oldest kubwa children, whereof some will be starting school in August. The intention is to prepare them for formal school, just like play school.

Kidogo

At Kidogo all the children are back after the holiday.

Because of the age difference between some of the children, we have started to split up the group sometimes, to give the older children a bit more challenges and some different stimulation, than the younger ones. So far it is going very well, and both groups are having a lot of fun with the activities.

This Friday we unfortunately have to say goodbye to two people at Kidogo.

Liv is going back to Norway and Sofies internship has come to an end so she is going back to Denmark. We will all miss both of them very much and we wish them the best of luck in the future!

The last month we have experienced several times, that the children is not getting picked up on time.

Please make sure to pick up your child in time! Or call Kidogo if you can't make it, so that we are informed, thank you.

We welcome Caitlin our new teacher on 3rd February.

Play school

Before Christmas we were working on the numbers from 1-10, and now we have started with the alphabet. We work with the letters in different ways using exercise sheets and different games with letters.

Sia has gone to Denmark to welcome a little brother/sister and will be back after a few months.

We have decided to split Kubwa and Play school during fruit and lunchtime in order to have a more fruitful and peaceful environment while eating and therefore you will see us eating in after- school instead. We still have ring time together with kubwa every day before lunch, were we sing different songs together.

Anette, Christina, Elisabeth, Julia, Karen-Emilie, Kasper, Rasmus, Sofie, Veila and Nina
