

NEWSLETTER PRE-SCHOOL

May 2014

ALL

It is almost that time a year where we say farewell and hopefully see you soon. We will be saying a lot of goodbyes this year in Pre-school as 15 children will be moving on to school and 7 will be moving on to other places in the world.

We will also say goodbye to some teachers as Caitlin will be going back to Sweden, Michelle has completed her internship and is returning to school, Kasper will be going back to Denmark and Elisabeth will after many good years with us move on to another part of the continent ☺

Don't forget that it has been a great year with lots of laughs and a few cries which we shall celebrate on Thursday June 5th with Circus Badutski and BBQ ☺

DATES TO REMEMBER

4th of June – School photo 9.30am

5th of June – Circus 4-5pm BBQ and last day of school

9th – 27th of June – 3rd term

KUBWA

We have had fun while working with the circus theme this last month of school. It being the last month also means that we have spend time preparing gifts for our dear friends who will be leaving us this year, we will miss them all very much.

A happy group of children enjoying each others company while learning and playing is an important part of what we are and do.

Mini-playschool

This month we have been very busy with many different things but we did find time to work on the letters C, D and E

KIDOGO

This month we had a group of only 7 children which gave the children and teachers an opportunity to spend time together in a smaller group.

As part of our circus preparations we have been making pictures of clowns, ballerinas, watched a circus movie, decorated circus elephants and of course practicing on our performance.

Now we are all very excited to welcome Noah back on Monday and have him join us in showcasing our talents during the great circus Badutski performance.

PLAY SCHOOL

As most of us will be going to school next year, we have been and are still working very hard with the alphabet and expect to reach all 29 letters before the year is over.

That unfortunately also means that we have to say goodbye to some dear friends and we have therefore prepared a little something for them to remember us by.

One day of the week has been spent in the aula playing different games some with and some without balls.

Circus Badutski is not to be forgotten and we definitely have not as we prepare for an amazing show.

Lastly we are very happy that our greatly missed friend Grace will be back with us on Monday ☺
