September 2014

## ALL

The first period has been a great start up for all children and adults. We have been getting into our daily routines again, and having a lot of fun together. Due to the “chilly” weather, we have been waiting a bit with swimming in the pool but very soon we will start again.

Starting from October and throughout November we will have Tanzania as our theme which we are looking very much forward to. We will have more Tanzanian food on the menu and get the chance to explore even more of the Tanzanian culture.

Please remember to pick your child up on time and please remember to mark all of your child`s/children`s clothes with names. Also we remind you again that every last Friday of the month is “Toy-Day” please note; bicycles are not allowed due to safety for all children.

## KIDOGO

We have had some more quiet weeks, since some of the children have been travelling. This gave us the opportunity to spend more quality time together in a smaller group, which we all have enjoyed a lot. Karla also came back from holiday, and we were all very happy to see her again. In October Stella from Denmark will join our group, which will give us a total of 9 children.

We are currently practicing to sit at the table while we are eating and cleaning up after ourselves. We have also decorated our library bags and been active with gymnastics in the aula. Spending a lot of time outside playing with water is something we enjoy especially on warm and sunny days ☺

## KUBWA/PLAY SCHOOL

Algot from Sweden has joined our group, which means that we are now 12 children in the mornings, and up to 14 children in the afternoon`s .We are very happy to have Elisabeth back with us who will be coming 3 afternoons a week, (Tuesday, Wednesday, Thursday), between 2-4 pm and work together with Veilla.

Our group has settled in very nicely, and the kids are all playing well together. The Play school children have had a good start and have now learned the letters A-E and they are also practicing to write their own names.

The Kubwa children have been playing hide and seek and doing sports and we had a wonderful day at Minna`s house celebrating her birthday, where we got the chance to play together and eat a lot of cake! ☺

Tuesdays- Library day
