

NEWS LETTER PRE-SCHOOL

APRIL 2015

ALL

We had a very nice Easter lunch with Kidogo, Kubwa, teachers and support staff all together in the beginning of April. The Easter bunny also found his way to Nordic School, a very joyful experience for the children!

After the Easter break we have continued with our creative expressions theme. And next month we will start with our yearly Circus theme!

Library day - Every Tuesday

KIDOGO

In Kidogo we have had a great month. The children have really grown and developed their language-, social- and motoric skills. They continue to establish new friendships and are enjoying each other's company a lot.

One of the highlights was an exploration of our senses, through massage. We did song-massage to familiar children's songs, and also massage using different items such as feathers, sponges, small cars etc.

KUBWA/PLAYSCHOOL

Playschool is now running again on a regular basis, both children and teachers are very happy about this! The Kubwa group also started with some mini-playschool activities, this month they have been focusing on numbers.

This month we focused a lot on collaboration and fellowship doing a variety of games with that aim in mind. Within our creative theme we have painted a lot of pictures both together and individually. And soon you will be able to see our self-portraits on the walls in Kubwa!

NB!! Please make sure you bring fresh fruit to school in the morning. Lately we had a fair share of damaged fruits, especially bananas. The kids love fruit-time and eat lots and lots of it :)

DATES TO REMEMBER

1st May- CLOSED Labour Day

10th June- Circus :)

All the best,

Veilla, Marie, Camilla, Rasmus, Elisabeth, Charlotte, Kate & Karen-Emilie
