NEWSLETTER MAY/JUNE 2015

KIDOGO

During this rainy season we have enjoyed a lot of fun activities indoor. We have among other things learned about animals, done gymnastics and sung a lot of songs.

Circus- we have drawn and painted happy circus pictures, handpainted t-shirts and practiced an amazing circus act as lions. Join us June 10th for a fun event!

KUBWA

The rain was a joy for the children! And after the rain stopped the playground was filled with interesting insects. The children have caught, studied and learned a lot about grasshoppers, butterflies and other insects this month.

May's theme was circus! The children have learned what circus is, and what it's about. We have watched movies of circus, and done a creative process where the children have made their own circus acts for our "Circus Nordic". Welcome! You will find clowns, ballerinas, leopards, puppies, an ice-queen, a knight, a chocolate man and many, many others!

IMPORTANT:

Library day: Last library day is 2nd June- the children will only deliver their book (and not borrow a new).

Check the white board in the classrooms daily, to see what activities we have done, and other relevant information.
