NORDIC SCHOOL Employment Opportunity

Employer: Swedish School Society/The Nordic School, Dar es Salaam, Tanzania

Starting date: 7th of August

Duration of contract: 2-year contract with the possibility of extension

Application Deadline: Sunday 12th of May 2024

Preschool teacher with Scandinavian language skills

THE OPPORTUNITY

The Swedish School society, commonly known as The Nordic School, offers daycare and afterschool activities based on Nordic pedagogical principles. Children's right to, and the importance of play is our key focus. We believe that childhood has intrinsic value, and we have a holistic and acknowledging approach to the children to meet every child's need for security, care, belongingness, and respect. Our diverse team consists of teachers from the Nordic countries as well as Tanzania. English is the primary language of instruction, though the Nordic languages are also spoken. As a teacher at The Nordic School, you will work in an intercultural environment, fostering growth and development in our children.

We are currently seeking a passionate and experienced teacher to join our team, primarily working in our "Kubwa" group for children aged 3 to 6. The applicant is expected to have both experience with and passion for working with this age group. The position offers up to 40 working hours per week and comes with a medical insurance package and yearly travel allowance. The school offers affordable accommodation on the premises. It is a unique opportunity for professional and personal development and to experience life in a country known for its hospitality, diversity, and abundant wildlife.

JOB RESPONSIBILITIES

As a teacher, your key responsibilities are to make sure that all children at the school feel safe, are developing, thriving, and feel acknowledged. Collaborate with fellow teachers to develop thematic and weekly plans that align with the Nordic pedagogical principles and cater to the diverse needs of the group. Building meaningful and strong relationships with both children and their families to maintain a positive and safe learning environment that supports all children.

QUALIFICATIONS AND EXPERIENCE

- Professional experience and genuine interest in children, their development and well-being
- Pedagogical Degree or equivalent academic certificate appropriate for working with children
- Excellent pedagogical, interpersonal, communication and collaboration skills
- The ability to contribute to pedagogical development and foster a safe and inclusive learning environment.
- Proficiency in both written and verbal English, as well as at least one Scandinavian language, preferably Norwegian or Swedish
- Experience working in a multicultural environment is considered an asset; enhancing your ability to engage with diverse children and colleagues.
