NORDIC SCHOOL Employment Opportunity

Employer: Swedish School Society/The Nordic School, Dar es Salaam, Tanzania

Starting date: Primo August 2025

Duration of contract: 2-year contract with the possibility of extension

Application Deadline: Thursday 3rd of April 2025

Preschool teacher with Scandinavian language skills

THE OPPORTUNITY

The Swedish School Society, also known as The Nordic School, offers daycare and afterschool activities based on Nordic pedagogical principles. Our key focus is on children's right to play and the importance of play in their development. We believe childhood has intrinsic value, and we take a holistic, respectful approach to meet every child's need for security, care, belonging, and respect. Our diverse team includes teachers from the Nordic countries and Tanzania. While English is the primary language of instruction, the Nordic languages are also spoken. As a teacher at The Nordic School, you will work in an intercultural environment, fostering growth and development in children.

We are seeking a passionate, experienced teacher for our preschool, working with children aged 1 to 6. The role requires experience and enthusiasm for this age group. The position offers up to 40 hours per week, medical insurance, a yearly travel allowance, and affordable on-site accommodation. It is an excellent opportunity for both professional and personal growth, and to experience life in a country renowned for its hospitality, diversity, and wildlife.

KEY JOB RESPONSIBILITIES

- Ensure all children feel safe, are developing, thriving, and feel acknowledged
- Collaborate with fellow teachers to create thematic and weekly plans and activities aligned with Nordic pedagogical principles, catering to the diverse needs of the group
- Build strong, meaningful relationships with children and their families to maintain a positive, inspiring, and safe learning environment

QUALIFICATIONS AND EXPERIENCE

- Professional experience and a genuine interest in children's development and well-being
- Pedagogical Degree or equivalent academic qualification for working with young children
- Excellent pedagogical, interpersonal, communication and collaboration skills
- Ability to contribute to pedagogical development and foster a safe and inclusive learning environment
- Proficiency in English (both written and verbal), and at least one Scandinavian language, preferably Norwegian or Swedish
- Experience with second-language acquisition and multilingualism in early childhood is a plus
- Experience working in a multicultural environment is considered an asset; enhancing your ability to engage with diverse children and colleagues
